We're here to help!

Free enrollment counseling services
dedicated to helping you and your family
to access affordable health care
and avoid unnecessary fines

Enrollment Counselors can:

- Determine eligibility for premium and cost share assistance
- Inform you about a variety of coverage options including Medicare, Medicaid, or CHIP
- Help you with all aspects of enrollment process
- Answer your questions about the insurance marketplace
- Assist you in accessing primary health care at lower costs
- Help you learn how to use your insurance to get medical care.
