Duties and Authorities

The Superintendent is the District's executive officer and is responsible for the administration and management of the District schools, in accordance with Board policies and directives and state and federal law. The Superintendent is authorized to develop administrative procedures to implement Board policy and to delegate duties and responsibilities. Delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action which was delegated.

Qualifications and Appointment

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, district employees, students, and the community. The Superintendent shall hold a valid Idaho certificate with a superintendent's endorsement.

When the office of the Superintendent becomes vacant, the Board will conduct a search to find the most capable person for the position.

Evaluation

The Board will evaluate, at least annually in January, the performance of the Superintendent, using standards and objectives developed by the Superintendent and Board, which are consistent with the District's mission and goal statements.

Compensation and Benefits

The Board and the Superintendent shall enter into a contract approved by the State Superintendent of Public Instruction. This contract shall govern the employment relationship between the Board and the Superintendent.
