1. SECONDARY SCHOOLS

Payment of student activity fees may be made on a voluntary basis; however, activity fees are a requirement when students participate in extra-curricular activities. Payment of the student activity fee entitles the student to an activity card. Fees are also charged for the purchase of the school annual, choral and band classes, clubs, student council, athletics, and travel.

2. ELEMENTARY SCHOOLS

Elementary students will not pay student activity fees. They will, however, be expected to furnish paper, pencils and other items which are to be obtained on an individual basis.

Student Transportation Fees

Student extracurricular or co-curricular organizations that travel to events three or more times during the year will pay the board approved transportation fees. For the 2004-2005 school year, fees have been set at:

\$30	1st Activity
\$20	2nd Activity
\$10	3rd Activity

Student organizations that travel to less than three events per year will calculate the cost per student based on the number of miles traveled times \$1.74* per mile divided by the number of participants and rounded to the nearest dollar. If the cost is less than \$15, the student will pay that amount. In the event the cost per student is greater than \$15, students will pay \$15.

Transportation costs for approved out-of-state, special trips will be financed up to 250 miles each way. No other costs will be financed by the district. (See SR Policy 8292 & 8292p)

Example: FCCLA--2 trips scheduled for 2004-2005

**16 students to Pocatello 60 miles x 1.74 divided by 16 = \$6.52
Students pay \$7.00 to travel to Pocatello**

**8 students to Boise-500 miles x \$1.74 divided by 8 = \$108.75
Students pay \$15 to travel to Boise**

Total cost to student \$22

Example: HOSA—2 trips scheduled for 2004-2005

**4 students to Lewiston-1044 miles x \$1.74 divided by 4 = \$454.14
Students pay \$15 to travel to Lewiston**

**20 students to Boise-500 miles x \$1.74 divided by 20= \$43.50
Students pay \$15 to travel to Boise**

Total cost to student \$30

\$1.74 Cost per mile based on 02-03 SDE Annual Transportation Report*
