

Category: 6000 INSTRUCTION	Policy Number: 6410
Policy Title: School Year Calendar	Effective Date: March 14, 2001

The Board of Trustees will review and approve an official school calendar for the ensuing school year by February of each year. The superintendent or designee will consider input and preferences from the staff, the students and the community when planning the calendar. The calendar will provide the minimum number of required instructional hours and be consistent with existing statutes and State Board of Education rules and regulations.
