Policy Title: Federal Projects	Effective Date: March 8, 2005

The Board of Trustees desires to provide the maximum educational opportunities for the students of the District. Therefore, the Board authorizes the Superintendent and his/her appointed representatives to write program proposals and establish the necessary controls to participate in federal programs that are applicable to the Snake River District 52.

New federal projects or proposals involving the District must be approved by the Superintendent prior to the time they are submitted to the State, Federal, or other agencies for funding.
