DUAL ENROLLMENT

General Requirements:

1. Application for Dual Enrollment will be made at the Snake River School District Office at 103 So. 900 West, Blackfoot, Idaho, 83221.
2. Students applying at the District Office will be referred to the appropriate principal for admission.
3. Students admitted to the District will be expected to comply with all district policies that are not in conflict with House Bill #171.
4. The District will not accept credits for graduation from schools that are not accredited by Northwest Accreditation or approved school reciprocal agency.
5. Transportation is the responsibility of the parents unless established routes have space to accommodate the dual enrollment student.
6. Dual enrollment students are to arrive at their scheduled classes no sooner than 10 minutes before the class starting time, unless it is the beginning of the day or lunch time, and they are to leave immediately after classes are completed. If there is a time lapse between the classes the student is attending, the parents of the student will pick the student up and return them to school when the next class begins.
7. Students must meet Snake River School District Graduation requirements in order to graduate.
8. Areas not covered by this procedure will be referred to the school administration for resolution.

School Day Curriculum:

1. Students will be allowed to enroll on the first day of school for each time period in which credit is given, provided the class has not reached the maximum enrollment.
2. Once a student is enrolled, they will be able to retain their place in the class for the trimester or semester for which credit is earned.
3. The students will follow the same rules, regulations, and procedures as regularly enrolled students.

Activity Program:

1. Dual enrollment students will be allowed to participate in those activities that occur while they are at the school.
2. Dual enrollment students will be expected to meet the same fee requirements as the regularly enrolled students; since this means purchasing a student body card, the student will have all the rights of the student body card for after school activities.
3. If the activity involves a tryout for membership, the student will accept the judgment of the advisors and coaches involved and will not be given a spot unless they earn it through tryout.
4. Students selected to participate in activities sponsored by the Idaho High School Activities Association will comply with the regulations of the IHSAA that are not in conflict with House Bill 171 and the procedures outlined by the IHSAA's "Private and Home School Eligibility" effective July 1, 1995.
