School Critical Protection & Recovery (CPR) Insurance Program

Student accident programs have always been designed to protect students while they are the responsibility of school staff. However, in today's world, schools need to be prepared for events that may be out of their control.

If insured schools are facing a natural disaster, a breach of their school's data system, accusations of sexual abuse or a violent attack on their site, they need to be prepared. With School CPR, offered by Special Markets Insurance Consultants (SMIC), they can be.

SMIC offers access to a team of professionals ready to provide a quick response in critical situations combined with excellent programs to protect schools, students and staff.

Coverages include:

- Student Accident Insurance
- Data Breach Response
- Deadly Weapon Protection
- Sexual Misconduct Liability
- Foreign Travel Evacuation
- Crisis Management

School CPR provides insured schools with a comprehensive package, addressing their critical protection needs and giving administrators the peace of mind they need to focus on the development and education of children. SMIC relieves the worry of the financial impact or emotional trauma that comes with the critical situations facing us today.
