

Snake River School District is transitioning to a new school lunch payment tracking system. As a result, the balance of your student's lunch account will not be tracked in Power School. We realize that this is a HUGE inconvenience for you and sincerely apologize.

We should have everything synced in the fall, but there is a possibility that we will have a new provider for processing your online payments.

Please call our School Lunch Supervisor, an elementary school secretary, or the cooks at the Jr. High or High School to get the current balance of your student's lunch account.

Watch for messages concerning this on the School District's website, snakeriver.org.
