The Snake River Valley Basketball program is a club that is for students who live in the Snake River School District who want to develop their skills, gain game experience and to have fun. Playing on the summer team does not guarantee a spot on the school team.

Transportation: Players are responsible for finding their own ride. Parents and players do car pool, and we have never had trouble with younger players finding rides.

Snake River Valley Basketball Club Consent Form

When a person practices and participates in any sport or physical activity, it can be dangerous. The person risks serious and permanent injury. Injuries could affect the general health and well-being on the participant. Serious injury could impair a person's ability to earn a living and to engage in social and recreational activities in the future. My son / daughter will participation at their own risk.

The parent / guardian further releases the Snake River School District and Snake River Valley Basketball Club and coaches from liability for any medical, dental, or hospital bills occurring as a result of injuries sustained by the student while participating.

IHSAA does not require students to carry health insurance, but as a club and school we encourage students to carry health insurance. On the Snake River School District website there is a form that students can get health insurance coverage. The health insurance coverage is not through the school but is offered through an independent insurance carrier.
